AMUN RA

EGYPTIAN DESERT ADVENTURE
April 8-18, 2026

Welcome to an Egyptian Musical immersion followed by an exclusive Desert Safari adventure. Enjoy a spiritual journey of dance, drumming and discovery from Cairo to the vast Egyptian desert, hosted by Keti Sharif.

This is a journey of a lifetime guided by one of Egypt's top desert explorers and photographers Mahmoud Marai, joined by a leading Egyptologist Dr Randa Baligh, plus stargazing with an Egyptian astronomer.

This rich, musical mystical and cultural immersion begins in Cairo, four days of dancing to live music and enjoying the bustling pace of Cairo's nightlife. The journey continues with a soulful 7 day expedition into the desert, with several days camping under the night sky with a rare stellium of six planets in the constellation of Aries, which is also Amun Ra.

This spectacular event culminates in a performance piece in the desert; three sacred Pharaonic inspired dance theatre performances, re-enacted under the stars:

The Moon Dance with Dof
The Lotus Dance
The Scorpion Dance

Explore the mythology and personal transformation that can take place when exploring the archetypes of Isis, Hathor and Serhket, with a daily meditation and Egyptology talk.

There are only 15 places for the Desert Safari segment, so register your interest as soon as possible. Visit www.a-zbellydance.com or email office@ketisharif.com
